HIV-1 Env trimer vaccine candidates elicit cross-neutralization of clinical isolates

Leichtag Biomedical Research Building, Room 107
Reception immediately following the lecture.

Please RSVP by Monday, September 17, via Eventbrite.

*The following notice applies to Infectious Diseases (ID Rounds/Case Conference).

ID Rounds/Case Conference presentations are designed for physicians (MD/DO) scientists and researchers. After attending ID Rounds/Case Conference presentations, participants should be able to

- Identify and indicate tools for discovery of novel pathogens; appraise current trends in determining the course of research/care.
- Assess and measure current and trending diagnostic tests and therapeutic interventions’ impact.
- Update practicing physicians on appropriate applications of newer microbial agents.
- Document areas of necessary competence improvement for future goals.

The University of California, San Diego, School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of California, San Diego, School of Medicine designates this live activity for a maximum of 2.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
