The HIV Institute (THI) Seminar Series is designed for physicians, pharmacists, scientists, researchers, trainees, and nursing professionals. After attending THI’s Seminar Series, participants should be able to:

• Integrate the latest scientific research into the prevention and management of HIV infection with antiretroviral therapy
• Demonstrate application of scientific methodology to clinical situations
• Know and apply the basic sciences which are appropriate to their discipline
• Demonstrate effective communication skills with professional associates

The University of California San Diego School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
The University of California San Diego School of Medicine designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The 2023 THI Seminar Series is supported in part by an educational grant from Gilead Sciences.
